

# Turn I.T. Green

PARTICIPATING PRODUCTS

# Welcome to Turn I.T. Green

The Turn I.T. Green initiative focuses on **extending the useful life of corporate devices** from a typical 3-4 years to 7+ years through three different users.

This can only be achieved by choosing the right type of assets. In this guide you'll find the preselected models from **Dell, Lenovo, HP, Samsung, Apple and Microsoft** that meet the following criteria:

**Intel Core Ultra 5 or 7**  
Apple M3/M4 Chip

**14" to 16"**  
Screens

**16GB to 64GB**  
of Memory (min of 16 GB)

The collective effort from our Turn I.T. Green community lowers the demand for new devices and **drastically reduces the CO2 emissions associated with manufacturing.**

# PRE-SELECTED LAPTOPS

EliteBook 600 Series Gen 11  
Elitebook 800 Series Gen 11  
EliteBook 1000 Series Gen 11  
ZBooks  
(Firefly, Power, Studio and Fury)

MacBook Air 13  
MacBook Air 15  
MacBook Pro 14  
MacBook Pro 16

ThinkPad T Series Gen 5  
ThinkPad X Series Gen 12  
ThinkPad P16 Gen 5 & 6

**Lenovo**

**SAMSUNG**

Galaxy Book 4 Pro 14"

Galaxy Book 5 Pro 14"

Galaxy Book 4 Pro 16"

Galaxy Book 5 Pro 16"

Latitude 5000 Series Ultra

Latitude 7000 Series Ultra

Latitude 9000 Series Ultra

XPS

Precision

Surface Pro 10

Surface Pro 11

Surface Laptop 6 & 7 13.5"

Surface Laptop 6 & 7 15"

## Sale & Leaseback

If you've recently refreshed your business IT, you can still participate in Turn IT Green through our Sale & Leaseback solution.

Here's how it works: You sell your equipment to us, we return the capital invested to your business, and then we lease the equipment back to you at a reduced rate. We'll invest a residual value and spread the cost over the term of your lease (usually 3 years).

After this period, you return the equipment to InnoVent. Your old equipment then undergoes the refurbishment process, restoring it to as good as new condition, ready for a second user.

## A Laptop's Journey with Turn IT Green
